

Changeling Theatre: Henry V

Friday 12th July,
performance starts at 7pm

A young superstar King has ascended the English throne. When his advisors tell him the French throne is rightfully his too, Henry falls for their persuasion. An insult from the Dauphin – heir to the French throne – is enough to trigger Henry, who gathers a mighty fleet and invades France.

After defeating the French, the young King makes the old King of France swear to hand the throne to him on his death, making him King of both countries.
