

# Willow Trail

## Young explorers!

Keep your eyes open and see if you can spot any of our willow animals living here at Belmont.

We have 20 creatures hiding in the gardens, when you find their name add it to the sheet. Follow the map and see how many you can find just for fun.

We'd love to see your discoveries too, share your pictures with us using [#BelmontWillowTrail](https://twitter.com/BelmontWillowTrail)
